

Murray Leinster	<p>Orejas de ellos, "the things that listen", whispered the superstitious fishermen when the strange occurrences began off the Philippine coast. How else explain the sudden disappearance of a vessel beneath a mysterious curtain of foam? The writhings of thousands of maddened fish trapped in a coffin-like area of ocean? What monsters gorged at the bottom of the Luzon Deep and what were their plans? Radar expert Terry Holt and the crew of the Esperance had to devise a weapon against the horrifying creatures which threatened mankind with extinction. Here are terror, excitement, and the clutch of cold death as combined by a monster hand in the field of science fiction. (Summary by from original book jacket)</p> <p>Read by Mark Nelson.
